

2018-2019 Supply List

These are school supplies your student will need in the classroom. If additional supplies are needed throughout the school year for projects, your child's teacher will notify you. Please note that we will also request more Kleenex boxes in the spring.

Please label all your child's supplies and belongings except those noted with an asterisk (*). Those supplies will be collected for general class use and distribution. When labeling, please mark your student's colored pencils, etc. individually so that misplaced colors may be easily returned to their owners.

If a specific brand is noted on the list, there is a reason for that. Please get that specific brand. The PDF version of this supply list also has hyperlinks so that you can see required or suggested items on-line.

If you have any questions about the supply list, don't hesitate to ask!

Rose Spears
Director of Academics and Admissions

Elementary Orientation: Monday, August 27, 7:00-8:30
