

2019-2020 Supply List

These are school supplies your student will need in the classroom. If additional supplies are needed throughout the school year, your child's teacher will notify you.

Please label all your child's supplies and belongings except those noted with an asterisk (*). Those supplies will be collected for general class use and distribution. When labeling, please mark your student's colored pencils, etc. individually so that misplaced colors may be easily returned to their owners.

If a specific brand is noted on the list, there is a reason for that. Please get that specific brand. The PDF version of this supply list has hyperlinks so that you can see some of the required or suggested items on-line.

If you have any questions about the supply list, don't hesitate to ask!

Seventh & Eighth Grade

General Items to go from Home to School each Day

- Backpack or book bag & water bottle (please fill at home each morning)
- Bible – New King James Version

Filing System

We are trying something new this year and asking parents to develop a filing system with their secondary students. Each student will have seven academic classes (which does not include music and art). Please decide what system of managing handouts and graded work will be best for your child. Here are some ideas:

- Heavy-duty 1.5-inch three-ring binder for storing handouts and assignments with clear cover to slip in a sheet; 7+ binder tabs
- [Multi-subject notebooks](#) with poly-pockets dividing the sections to store handouts
- Individual folders (with pockets), a different color for each class (For students who have struggled with organization in the past—see this podcast describing the benefits: <https://www.cultofpedagogy.com/underperforming-students/>)

School Planner

Part of transitioning to junior high is learning to write down assignments given in class. Parents, please find your child a weekly or monthly school planner (monthly is recommended) that has big enough calendar squares to write multiple assignment due dates in. (We've seen some good ones at the Dollar Store!)

Math Supplies (choose your student's class)

- Pre-Algebra & Algebra 1: No supplies needed
- Geometry: Protractor, Compass, Basic Calculator

Science Supplies

- 1-inch three-ring [blue](#) binder (for science labs)

Art Supplies

- 1 white eraser
- Box of 24 colored pencils ([Required brands: Crayola](#) or [Prismacolor](#))
- One blank page artist sketchbook (may use one from last year if pages are left)
- Artist Loft 36 count watercolor set (Available at Michaels)

Paideia Supply List (2019-2020)

Seventh & Eighth Grade (continued)

General Supplies

- 4+ mechanical pencils with extra lead
- Scissors (fine-tipped, not safety style)
- Post-It tabs/flags
- Post-It notes
- 200 white 3x5 cards with lines
- Pencil box to hold pencils, scissors, etc.
- 4 or more fine-tipped **Expo** dry erase markers (**black** only)
- 1 yellow, 1 blue, and 1 pink highlighter
- 100 sheets of lined paper, college-ruled
